No. 38—The External Trade (Prohibition of Importation of Certain Batteries) (Amendment) (No. 2) Order. 2004.

General Notice No. 223 of 2004.

THE UGANDA NATIONAL BUREAU OF STANDARDS ACT, 1983
(Act No. 1 of 1983, Section 18)

COMPULSORY STANDARDS DECLARATION NOTICE

In accordance with section 17 of the Uganda National Bureau of Standards (UNBS) Act, 1983, the Minister for Tourism, Trade and Industry on the recommendation of the National Standards Council hereby declares compulsory standards in respect of the underlisted.

AGRICULTURAL AND FOOD STANDARDS

1. US 45:2003—General standard for food additives
   Scope: This Uganda Standard lists the food additives which have been evaluated by the Joint FAO/WHO Expert Committee on Food Additives (JECFA) and found acceptable for use in foods.

   Scope: This Uganda Standard prescribes the requirements and methods of test for imitation soft drinks. This standard covers imitation drink made from natural, identical or synthetic colourings, flavourings, emulsions, water, sugar and other optional ingredients or mixtures thereof.

3. US 500:2003—General requirements for nutrition labelling of food
   Scope: This Uganda Standard specifies general requirements for nutrition labelling of foods. The requirements apply to nutrition labelling of all foods.

4. US 508:2003—General requirements for nutrition and health claims for food
   Scope: This Uganda Standard specifies general requirements related to claims made for food irrespective of whether or not the food is covered by an individual Uganda Standard.

   Scope: This Standard applies to fortified maize flour, fortified whole maize meal, and fortified degermed maize meal prepared from kernels of common maize, Zea mays L and intended for human consumption. It does not apply to maize or other maize products for which other standards apply.

   Scope: This Uganda Standard specifies requirements for fortified sugar intended for human consumption. It applies to fortified plantation or mill-white sugar and fortified refined sugar. It does not apply to other types of sugar for which other standards do apply.

   Scope: This Uganda Standard prescribes the requirements for fortified edible fats and oils intended for human consumption.

   Scope: This Uganda Standard prescribes the requirements and methods of test for fortified wines.

   Scope: This Uganda Standard specifies the requirements and methods of test for sparkling wines. It covers red sparkling wines, white sparkling wines and rose sparkling wines.

    Scope: This Uganda Standard prescribes the requirements and methods of test for still table wine.

BUILDING AND CONSTRUCTION STANDARDS

    Scope: This Uganda Standard specifies the source, preparation and properties of standard sand to be used with a standard coarse aggregate for making concrete prisms used for testing cement.

12. US 310:2002—Cement-Part 1 Composition, specifications and conformity criteria for common cements Amendment
    For amendment of the designation of normal setting cement with letter N
    Scope: This Uganda Standard specifies the properties of the constituents of common cement and the proportions in which they are to be combined to produce ranges of types, compositions and strengths classes of cement.

    Composition, specification and conformity criteria
    Scope: This Uganda Standards specifies properties of the constituents of common cements and proportions in which they are to be combined to produce a range of types, compositions and strength classes.
Scope: This Code provides the basis for the design and construction of structures in seismic regions of Uganda. It also proposes operational rules for its application.

CHEMICALS AND ENVIRONMENT RELATED STANDARDS

Scope: This Uganda Standard specifies the requirements, methods of sampling and test for toilet paper, bathroom tissue and other related products supplied in rolls, reels and sheets.

Scope: This Uganda Standard prescribes the requirements and methods of test for exercise books generally used in schools.

17. US 434: 2002—Specification for Files and Folders
Scope: This Uganda Standard specifies the requirements for files and folders made of board. The standard applies to files and folders with or without back intended for housing papers of A4 or smaller sizes.

Scope: This Uganda Standard specifies the requirements for duplicating papers. It applies to duplicating papers for stencil duplicators using emulsion or oil based inks.

Scope: This Uganda Standard specifies requirements for stencil papers.

Scope: This Uganda Standard establishes minimum quality requirements for ball point pens (refillable or non-refillable) and refills for general use.

21. US 484:2003—Labelling of Cosmetic products—General requirements
Scope: This Uganda Standard specifies general requirements for the labelling of cosmetic products.

Scope: This Uganda Standard prescribes requirements and methods of test for pomades and solid brilliantines for general use.

Part 1: Solvent Based
Scope: This Uganda Standard prescribes the requirements and methods of test for nail polish removers, solvent based.

Scope: This Uganda Standard prescribes the requirements and methods of test for hair creams, lotions and gels.

Part 2: Baby powders
Scope: This Uganda Standard prescribes the requirements and methods of test for baby powders.

Scope: This Uganda Standard prescribes requirements for formulate powder hair dyes, aryl di-amine based.

Scope: This Uganda Standard prescribes requirements and methods of test for cologne. Standard shall cover cologne, as well as toilet lavender waters and all alcohol-based fresheners.

Scope: This Uganda Standard prescribes requirements, sampling procedure and methods of test for chemical depilatories.

Scope: This Uganda Standard prescribes requirements, sampling procedure and methods of test for pure henna powder.

MECHANICAL ENGINEERING AND METALLURGY STANDARDS

Scope: This Standard applies to straight round segments of pipes made of high-density polyethylene (HDPE). Individual requirements specified in this standard shall be omitted or supplemented in technical delivery conditions relating to particular applications.

Scope: This Standard applies to pipes made of high-density polyethylene (PE-HD). Pipes as specified in this standard shall meet the requirements given in US 482-1/ DIN 807.

ELECTROTECHNOLOGY STANDARDS

Scope: This Standard specifies the requirements for:

(a) the components for photovoltaic systems: optimised for the four system sizes based on 12V d.c. envisaged in the national programme to provide solar power to individual homes.

(b) for installation requirements for such systems.

33. US 81-1:2003—Primary batteries Part 1: General
Scope: The purpose of this Part I of US 481 is to standardise primary batteries with respect to the electrochemical system, dimensions, nomenclature, terminal configurations, markings, test methods, efficiency, performance, safety and environmental aspects.

34. US 481-2:2003—Primary batteries Part 2: Physical and electrical specifications
Scope: This Part 2 of US 481 is applicable to primary batteries based on standardised Electro-chemical systems. It specifies the physical dimensions, discharge test conditions and discharge performance requirements.

Scope: This part of US 481 specifies design, designation, and methods of tests and requirements for primary batteries for watches.

Scope: This part 4 of US 481 specifies test requirements for primary lithium batteries to ensure safe operation for under normal use and reasonable foreseeable misuse.
37. US 481-5:2003—Primary batteries Part 5 Safety of batteries with aqueous electrolyte
Scope: This part 5 of US 481 specifies test and requirements for primary batteries with aqueous electrolyte to ensure their safe operation for under normal use and reasonably foreseeable misuse.

Scope: This Uganda Standard gives general information relating to the requirements of the secondary batteries used in Photovoltaic (PV) solar energy systems and to the typical methods of test for the verification of battery performances.

APPROVED THIS 4th day of May, 2004.

DR. TERRY KAHUMA,
Secretary, National Standards Council.

PROF. EDWARD B. RUGUMAYO,
Minister of Tourism, Trade and Industry.
